The Metropolitan Council research team will update the following data points in Section 3: Regional Profile in the *2014 Analysis of Impediments to Fair Housing Choice: Twin Cities Region* based on new American Community Survey (ACS) data released by the U.S. Census Bureau in December 2015:

Tables

- Population by county, city
- Population by race by county, city
- Number of census tracts identified as Areas of Concentrated Poverty (ACPs) and Areas of Concentrated Poverty where at least half the residents are people of color (ACP50s) by city (using 2010-2014 ACS data)
- Population living in ACPs and ACP50s by city
- Population by race living in ACPs and ACP50s by city
- People with disabilities by county, city, and ACPs within cities
- Nativity by county, city, and ACPs within cities
- Familial status by county, city, and ACPs within cities
- Age distribution in the City of Saint Paul and the City of Saint Paul's ACPs
- Median household income by county, city
- Poverty rate by race by county, city
- Poverty rate by disability status by county, city
- Poverty rate by nativity by county, city
- Poverty rates for various family configurations by county, city
- Housing tenure by county, city, ACPs within cities
- Homeownership gap by race, county , city
- Overcrowded housing units by county, city and ACPs within cities
- Incomplete plumbing and kitchen facilities by county, city and ACPs within cities
- Housing cost burden by tenure by county, city and ACPs within cities
- Units affordable at various income levels (<30% AMI, 30-50% AMI, 50-80% AMI)by bedroom size by county, city

Maps

- Areas of Concentrated Poverty, 2010-2014
- Publicly funded affordable rental units, 2010-2014
- Percentage of school-age population of color by census tract with school district boundary overlay (Maps 3-3 to 3-11)
- Opportunity indices with updated (2010-2014) ACP and ACP50 boundary overlay (Maps 3-12 to 3-16)

We will also update the following data tables based on other, more current data:

- Forecasted population (thru 2040) by County, City
- Forecasted population by race (thru 2014) by County, City

- (If available) 2014 Housing Choice Voucher use by county, city (HUD)(if available) 2014 Publicly-financed rental units by affordability by county, city (2014 Streams)

In addition, we will complete the following additional analyses based on the most current data available as of December 2015:

<u>Tables</u>

Segregation indices of protected classes (by FHIC jurisdictions)

- Dissimilarity index
- Exposure index
- Isolation index
- Actual-to-predicted ratios

Land available for development at various levels of density

<u>Maps</u>

- Actual-to-predicted ratios
- Areas of Concentrated Poverty in 2010-2014
- Housing unit affordability by tenure
- 2014 Housing Choice Voucher use
- 2010-2014 Publicly funded affordable rental developments

<u>Summary</u>

Analysis of community engagement data collected by HousingLink and partners with key themes, data tables and analyzed excel file
