## Section 1135 - Therapeutic Massage

1135.01. Purpose. The purpose of this section of the City Code is to prohibit massage businesses and services to the public except those licensed as therapeutic massage enterprises and massage therapists pursuant to this section. The licensing regulations prescribed herein are necessary in order to protect businesses that are operating legitimate enterprises, to prevent criminal activity and to protect the health and welfare of the community. The purpose of this section is not to impose restrictions or limitations on the freedom of protected speech or expression.

1135.03. Findings of the City Council. The City Council makes the following findings regarding the need to license therapeutic massage enterprises and therapists and to prohibit all other types of massage businesses and services to the public:

- A. Persons who have a bona fide and standardized training in therapeutic massage, health, and hygiene can provide a legitimate and necessary service to the general public.
- B. Health and sanitation regulations governing therapeutic massage enterprises and therapists can minimize the risk of the spread of communicable diseases and can promote overall health and sanitation.
- C. License qualifications for the restrictions on therapeutic massage enterprises and therapists can minimize the risk of the spread of communicable diseases and can promote overall health and sanitation.
- D. Massage services provided by persons with no specialized and standardized training in massage can endanger citizens by facilitating the spread of communicable diseases, by exposing citizens to unhealthy and unsanitary conditions, and by increasing the risk of personal injury.
- E. Massage businesses which employ persons with no specialized and standardized training can tax City law enforcement services because such businesses are more likely to be operated as fronts for prostitution and other criminal activity than operations established by persons with standardized training.
- F. The training of professional massage therapists at accredited institutions is an important means of ensuring the fullest measure of protecting the public health, safety, and welfare.

1135.05. Definitions. The following words and terms when used in this section shall have the following meanings unless the context clearly indicates otherwise:

*Accredited Institution.* An educational institution holding accredited status with the United States Department of Education or Minnesota Office of Higher Education.

*Accredited Program.* A professional massage program accredited by the Commission on Massage Therapy Accreditation (COMTA) or the National Accrediting Commission of Career Arts and Sciences (NACCAS).

*Clean.* The absence of dirt, grease, rubbish, garbage and other offensive, unsightly or extraneous matter.

*Good Repair.* Free of corrosion, breaks, cracks, chips, pitting, excessive wear and tear, leaks, obstructions, and similar defects so as to constitute a good and sound condition.

*Issuing Authority.* The Public Safety Director, or his or her designee.

*Massage.* Any method of pressure on, or friction against, or the rubbing, stroking, kneading, tapping, pounding, vibrating, stimulating, or rolling of the external parts of the human body with the hands or with the aid of any mechanical or electrical apparatus, or other appliances or devices, with or without such supplementary aids as rubbing alcohol, liniment, antiseptic, oil, powder, cream, lotion, ointment, or other similar preparations.

*Massage Therapist.* An individual who practices or administers massage to the public who can demonstrate to the issuing authority that he or she:

1. Has current insurance coverage of \$1,000,000 for professional liability in the practice of massage;
2. Has completed 500 hours of certified therapeutic massage training with content that includes the subjects of anatomy, physiology, hygiene, ethics, massage theory and research, and massage practice from an accredited program or accredited institution that has been approved by the issuing authority. These training hours must be authenticated by a single provider through a certified copy of the transcript of academic record from the school issuing the training, degree or diploma. In the event the accredited program or accredited institution is no longer in existence, in the sole discretion of the City, a certified copy of the transcript of academic record may be accepted directly from the applicant with an affidavit stating said transcript of academic record is authentic. The transcript of academic record must be from a program or institution that was once accredited and approved by the issuing authority. The certified copy of the transcript of academic record must contain the applicant's name, last address of the accredited institution at the time of closing, and reflect the 500 hours of certified therapeutic massage training with content that includes the subjects of anatomy, physiology, hygiene, ethics, massage theory and research, and massage practice as required.

*Operate.* To own, manage or conduct, or to have control, charge or custody over.

*Person.* Any individual, firm, association, partnership, corporation, joint venture, or combination of individuals.

*Therapeutic Massage Enterprise.* An entity which operates a business which hires and/or contracts only licensed massage therapists to provide therapeutic massage to the public. The owner/operator of a therapeutic massage enterprise need not be licensed as a massage therapist if he

or she does not at any time practice or administer massage to the public. - E. Students of an accredited institution who are performing massage services in the course of a clinical component of an accredited program of study, provided that the students are performing the massage services at the location of the accredited

institution or provided the students are limited to performing massage therapy only on owners or staff of licensed massage enterprises and not on members of the public.

The issuing authority is empowered to conduct any and all investigations to verify the information on the application, including ordering a computerized criminal history inquiry and/or a driver's license history inquiry on the applicant.
