No refund will be issued due to the lack of an inclusion aide if you register less than one week from the start of the program.

To ensure that each participant has the best possible experience, follow these steps:

We provide training, instructional material and a rewarding experience! For scheduling reasons, we request you volunteer to coach only one team.

Co-coach with a friend. Both coaches must register for the same course number and must turn in application form.

Each coach (2 per team) receives ½ refund for their child's soccer registration at season's end. If only one coach for team, coach receives a full refund.

## PLYMOUTH SKATE SCHOOL

OFFERS A FUN AND SAFE LEARNING ENVIRONMENT FOR STUDENTS OF ALL AGES AND ABILITIES TO LEARN HOW TO SKATE.

### GENERAL INFORMATION

- Beginning levels are required to wear helmets.
- Skaters MUST be at least 4 years old by the start of the class – no exceptions will be made.
- Participants receive an open-skating punch card (free for 4 sessions), valid through one month after the registered session's end date.
- Rental skates – available for \$3/lesson.
- Parents are not allowed on the ice during class time.
- For safety reasons, no shoes allowed on the ice.

### PROPER ATTIRE

Skaters will benefit more from a lesson with proper skates. We prefer boots be of leather rather than vinyl and they should have strong ankle support. Skates should not crease or buckle when worn, and should fit to the foot size and not have excess 'room to grow'. Blades should be of high tempered steel and properly sharpened. Double runner blades are NOT allowed.

It is important that all skaters are warm and comfortable while skating. We suggest dressing in layers and request all skaters to wear mittens or gloves.

## SKATING CONTRACT ICE

**THE BAZILLIONS**

The Bazillions are the creation of Twin Cities' parents/educators/singer-songwriters Adam and Kristin Marshall. Literally from their first day on the job at Kenny School in Minneapolis, the couple was writing songs for and with their students. Before long, the kids knew every word to every song, and parents began asking for a CD. So, along with their indie pop band The Humbugs, the Marshalls recorded and released "Rock-n-Roll Recess," under the new alter-ego band name "The Bazillions."
