

Enhancing the **quality of life** for all residents. Fostering individual and community development in all aspects: **physical, mental, social and environmental.**

Dear Business or Organization Representative

By partnering with public and private organizations, we are able to enhance our events and add to the quality of life for all residents while promoting and benefiting area businesses.

The City of Plymouth hosts a variety of community events throughout the year, bringing people together to foster community identity and pride with fun and exciting activities. These events would not be possible without the support and partnership of local community businesses and organizations. This is an invitation for you to partner with us and promote your organization or business in conjunction with Plymouth events.

As an event sponsor, your organization will receive visibility through a variety of marketing materials, event signage and/or media coverage. Included in this packet, are the sponsorship opportunities which indicate the different promotional benefits your company would receive at each sponsorship level. Also included, is a sponsorship pledge form for your convenience.

Hopefully, you will find a sponsorship opportunity that suits your company's vision and interest. Sponsorship opportunities are limited in number. Therefore, we encourage you to contact us to discuss level of your choice.

Note: Inclusion on marketing materials and press releases for individual events is dependent on the timeliness of the sponsorship pledge submission. Please contact me at your earliest convenience to determine availability and appropriate timelines for the sponsorship opportunity of your choice.

Thank you for your time and consideration.

Sincerely,

Kari Hemp, Recreation Manager
Plymouth Parks and Recreation Dept
763-509-5220 / khemp@plymouthmn.gov
