## INCLUSION SERVICES

In compliance with the Americans with Disabilities Act of 1990, reasonable accommodations can be provided upon request to allow individuals with a disability to participate in Plymouth Parks & Recreation services, programs and activities.

Plymouth Parks & Recreation offers inclusion services. If you have questions regarding special needs and our inclusion services, please call 763-509-5200.

### INCLUSION POLICY

Plymouth Parks & Recreation prides itself on providing quality programs and activities for people of all abilities. To create the best recreation experience for people with and without disabilities, we require a minimum of two weeks advance notice before the start of a recreation program or activity.

Without a two-week notice, Plymouth Parks & Recreation is not able to guarantee that individual requests can be met. If Plymouth Parks & Recreation cannot meet a given request due to short notice, the participant would be required to arrange for their own Personal Care Attendant (PCA).

No refund will be issued due to the lack of an inclusion aide if you register less than one week from the start of the program.

To ensure that each participant has the best possible experience, follow these steps:

- » Register and notify Recreation staff of any special needs a minimum of two weeks in advance.
- » Complete and return the Participant Information Form.

### RESTORATIVE YOGA

Plymouth Community Center, 14800 34th Avenue N

The experience of facilitated conscious relaxation brings the nervous system to a parasympathetic state that helps to achieve a deeper sleep when you DO sleep. It's even been known to decrease insomnia, lower blood pressure, increase "good cholesterol" levels, reduce belly fat, improve digestion, lower serum triglycerides and blood sugar levels in the blood, reduce muscle tension and general fatigue. Treat yourself to the benefits of "rest and digest mode" deeply and completely in this gentle, nurturing yoga series. Instr: PR Brady.

### YIN YOGA

Locations vary

Yin Yoga involves relaxing the body right up to one's healthy edge—wherever your edge may be. We breathe "into" the muscles as we engage them, which allows them to stretch. This results in feeling more balanced, less stressed, less restless; and gives more strength and energy than it takes away. Yin lives halfway between active exercise and total stillness. If you stand or sit all day, are tense, inflexible, experience anxiety, or have an overactive life this is for you. Instr: PR Brady.

If you stand or sit all day at a computer, are tense, inflexible, or experience anxiety this practice is for you. Instr: PR Brady.

### SEATED YIN

Locations vary

Yin Yoga involves relaxing the body right up to one's healthy edge—wherever your edge may be. Yin lives halfway between active exercise and total stillness, and it can be done seated in a chair! If your body is craving movement, but finds it challenging to get down to a yoga mat, seated Yin may be just what you need. If you stand or sit all day, are tense, inflexible, or have contraindications that keep you from the floor, this class is for you. Instr: PR Brady.

### GENERAL INFORMATION

- Beginning levels are required to wear helmets.
- Skaters MUST be at least 4 years old by the start of the class – no exceptions will be made.
- Rental skates – available for \$5/lesson.
- Parents are not allowed on the ice during class time.
- For safety reasons, no shoes allowed on the ice.

### PROPER ATTIRE

Skaters will benefit more from a lesson with proper skates. We prefer boots be of leather rather than vinyl and they should have strong ankle support. Skates should not crease or buckle when worn, and should fit to the foot size and not have excess 'room to grow'. Blades should be of high tempered steel and properly sharpened. Double runner blades are NOT allowed.

It is important that all skaters are warm and comfortable while skating. We suggest dressing in layers and request all skaters to wear mittens or gloves.

ALL SKATING PROGRAMS MEET AT THE  
**PLYMOUTH ICE CENTER**  
3650 Plymouth Blvd.

# open skate

Open Skate is held on Tuesdays, Sundays and some Fridays. Check the Open Skate & Open Hockey calendar on the Ice Center website for times.
