3. A completed and signed Certificate of Bid.
4. A completed and signed Responsible Bidder Evaluation.

5. A completed and signed Affidavit of Non-Collusion.

III. Terms & Conditions

If a contract is awarded, the selected Contractor will be required to adhere to a set of general terms and conditions that will become a part of any formal agreement. These conditions are general principles that apply to all Contractors of service to Plymouth Parks & Forestry.

A. Reporting of Contractor

1. The Contractor are to report to Jason Goehring, Parks & Forestry Manager and will cooperate and confer with him/her as necessary to insure satisfactory work progress.
2. Plymouth Parks & Forestry will review and inspect the Contractor's activities during the term of this contract.

B. Personnel

1. The Contractor will provide the required service personally and will not subcontract or assign services without Plymouth Parks & Forestry's written approval.
2. The Contractor will not hire any City employee for any of the required services without the City's written approval.
3. The parties agree that the Contractor is neither an employee nor an agent of the City for any purpose.

C. Indemnification

The Contractor will protect, defend and indemnify the City of Plymouth, its officers, agents, servants, volunteers and employees against any and all liabilities, claims, liens, fines, demands and costs, including legal fees, of whatsoever kind and nature which may result in injury or death to any persons, including the Contractor's own employees, and for loss or damage to any property, including property owned or in the care, custody or control of the City of Plymouth in connection with or in any way incident to or arising out of the occupancy, use, service, operations, performance or non-performance of work in connection with this contract resulting in whole or in part from negligent acts or omissions of Contractor, any sub-contractor or any employee, agent or representative of the Contractor or any sub-contractor.

D. Subcontractors

Contractor shall not enter into subcontracts for services provided under this Agreement without the express written consent of the City. Contractor shall comply with Minnesota Statute § 471.425. Contractor must pay Subcontractor for all undisputed services provided by Subcontractor within ten days of Contractor's receipt of payment from City. Contractor must pay interest of 1.5 percent per month or any part of a month to Subcontractor on any undisputed amount not paid on time to Subcontractor. The minimum monthly interest penalty payment for an unpaid balance of \$100 or more is \$10.

E. Non-Collusion

Submittal and signature of a quote swears that the document is genuine and not a sham or collusive, and not made in the interest of any person not named, and that the Contractor has not induced or solicited others to submit a sham offer or to refrain from quoting.

F. Responsible Bidder

The City will review the qualifications and experience of bidders for construction, alteration, repair, or maintenance of real or personal property after bids are opened and before a contract is awarded, to determine if the bidder is "responsible." A "responsible" bidder is a bidder qualified to do the work.

This will be determined by assessing the bidder skill, resources, experience, successful performance of similar contracts (on time and on budget), and all other matters bearing upon the likelihood that the contract will be successfully completed.

G. Insurance Requirements

The insurance carrier for City of Plymouth requires evidence of coverage, certificates of insurance, from subcontractors working on city premises prior to the commencement of work. Coverage and limits required are as follows:

General Liability including Completed Operations coverage with minimum limits of:

- \$1,000,000 Each Occurrence Bodily Injury and Property Damage
- \$2,000,000 General Aggregate
- \$2,000,000 Products / Completed Operations Aggregate
- \$1,000,000 Personal Injury and Advertising Injury

The City of Plymouth should be named as an “Additional Insured” on a primary basis, with a Waiver of Subrogation in favor of the City of Plymouth, on the General Liability and Automobile Liability as related to the work performed by the subcontractor on behalf of The City of Plymouth.

Automobile Liability coverage for any Auto, Hired and Non Owned Autos:

- \$1,000,000 Limit

Workers Compensation and Employers Liability:

- Statutory Limits on Workers Compensation
- Employer’s Liability
 - \$500,000 each Accident
 - \$500,000 Disease – each employee
 - \$500,000 Disease – policy limit

Workers Compensation includes a Waiver of Subrogation in favor of the City of Plymouth.

H. Compliance with Laws & Regulations

In addition to non-discrimination and affirmative action compliance requirements listed below, the Contractor ultimately awarded a contract shall comply with federal, state and local laws, including, but not limited to, all applicable OSHA requirements and the Americans Disabilities Act. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection; waste reduction and recycling; the protection of natural resources; permits; fees; taxes; and similar subjects.

I. Licenses

The Contractor shall obtain and maintain all licenses, permits and/or certificates both permanent and temporary throughout the period of the agreement. The Contractor and staff shall be licensed and authorized to do this specific type of work within the State of Minnesota.

J. Interest

The Contractor promises that it has no interest which would conflict with the performance of services required by this contract. The Contractor also promises that, in the performance of this contract, no officer, agency, employee of the City of Plymouth or member of its governing bodies, may participate in

any decision relating to this contract which affects his/her personal interest or interest of any corporation, partnership or association in which he/she is directly or indirectly interested, or has any personal or pecuniary interest.

K. Equal Opportunity Employment

The City of Plymouth does not discriminate on the basis of race, color, creed, national origin, sex, religion, age, disability, affection preference, marital status, or status with regard to public assistance in employment. The City of Plymouth is an equal opportunity employer.

L. Ownership of Documents

All documents developed as a result of this contract will be freely available to the public and shall become the property of the City. None may be copyrighted by the Contractor. During the performance of the services, the Contractor will be responsible for any loss of or damage to the documents while they are in its possession and must restore the loss or damage at its expense. Any use of the information and results of this contract by the Contractor must reference the project sponsorship by the City. Any publication of the information or results must be co-authored by the City.

M. Data Practices

All data created, collected, received, maintained or disseminated for any purpose in the course of this Contract is governed by the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, any other applicable state statute, or any state rules adopted to implement the act, as well as federal regulations on data privacy.

N. Assigns & Successors

This contract is binding on the City and the Contractor, their successors and assigns. Neither the City nor the Contractor will assign or transfer its interest in this Contract without the written consent of the other.

O. Termination of Contract

1. Termination without Cause. Either party may terminate the contract by giving thirty (30) days written notice to the other party.
2. Termination with Cause. The occurrence of any one or more of the following events will constitute a default by Contractor and justify termination for cause:
 - a. Contractor's persistent failure to perform the Work in accordance with the Contract Documents (including, but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment or failure to adhere to the Progress Schedule)
 - b. Failure of Contractor to perform or otherwise to comply with a material term of the Contract Documents
 - c. Contractor's disregard of Laws or Regulations of any public body having jurisdiction
 - d. Contractor's repeated disregard of the authority of the City of Plymouth

P. Addendum

1. Any changes to the specifications will be issued as a written addendum. No oral statements, explanations or commitments by whosoever shall be of any effect.
2. The contract may be amended from time to time through written agreement by both parties.

IV. Scope of Services

The overall scope of services sought is the professional lawn maintenance services for County owned medians, right-of-way along arterial roads and rough cut sites for Plymouth Parks & Forestry. The Contractor will maintain turfgrass of these sites with a high degree of quality as to assure the aesthetic appearance of City-owned sites.

The Contractor should be familiar with the sites and location, the work to be done and local conditions affecting the cost of the work under which it must be performed and hereby proposes to furnish all labor, materials and equipment to meet the needs of these services. Plymouth Parks & Forestry will not be responsible for any damages to the Contractor's tools or equipment. There is no parking or storage for equipment at any City facilities.

The services and occurrence may include, but are not limited to:

A. Contract Period

The contract period shall be for two (2) years from 2023-2024, commencing approximately May 1 through October 31 of each year, weather permitting.

B. Mowing Schedule

The Contractor shall maintain areas with the following intervals as listed below as defined by the respective contract.

1. **Medians**

- a. County Road 9, 10 and 61 should be mowed a maximum interval of twice per month.
- b. County Road 101 should be mowed a maximum mowing interval of twice per month.

2. **Right-of-Way**

The anticipated schedule for right-of-ways is twice per month. Right-of-ways will include all arterial roads within the City as listed below.

- a. Highway 169 and 55
- b. County Roads 6, 9, 10, 24, 61, 73 and 101
- c. City Roads: Chankadha Trail, Peony Lane, Maple Grove Parkway, Schmidt Lake Road and Vicksburg Lane

3. **Rough Cut**

The anticipated schedule for rough cut mowing for City sites is as follows, totaling three rounds annually.

- a. First round Completed by June 1
- b. Second round Completed by July 15
- c. Third round Completed by Sept 1

Depending on weather and growing conditions, the City may need to adjust the timing of mowing or add a 4th round. Upon such determination, the assigned Parks & Forestry staff would make this request to the contractor.

4. The Contractor shall not mow any area before or after the contract period without specific written permission from the Parks & Forestry Manager.

C. Mowing Requirements

Mowing of turfgrass areas shall be defined to include the following:

1. **Litter/Debris Collection**

- a. Without exception, litter, small limbs or branches from trees, debris shall be picked up off the ground in the area to be mowed prior to each mowing.

- b. The Contractor shall contact Plymouth Parks & Forestry for the removal of any trees, large limbs or branches which might fall into designated mowing areas due to storm or weather activity or for the removal of any other unusual refuse items.

2. *Mowing*

- a. Medians shall be maintained at a height as listed below as defined by the respective contract.
 - i. County Road 9, 10 and 61 should be maintained to a height of less than 8 inches with a maximum mowing interval of twice per month.
 - ii. County Road 101 should be maintained to a height of 4 inches with a maximum mowing interval of twice per month.
- b. Right-of-Way sites shall be mowed to a height of 4 inches at all sites with a maximum mowing interval of twice per month.
- c. Rough cut sites shall be cut at a consistent height.
- d. In order to avoid damage to turfgrass areas, mowing shall be suspended during any rainfall event (beyond a light drizzle) or when standing water conditions are present.
- e. No discharge into/onto the street.
- f. The Contractor is required to immediately repair any turfgrass damage caused by their equipment.
- g. Any damage to signs, etc. by the Contractor shall be reported to Plymouth Parks & Forestry immediately.

3. *Trimming*

- a. At each mowing, turfgrass shall be neatly trimmed such that no growth directly touches any concrete or asphalt surfaces, signs, light or electric poles and/or other improvements.
- b. Turfgrass around trees and shrubs shall be trimmed to the same height as that mowed in adjoining areas. Care is to be taken by the Contractor so as not to damage or debark trees or shrubs when trimming.

4. *Abutting Trails*

- a. Where sidewalks or trails abut non-maintained areas a four (4) foot mowed area shall parallel the sidewalk or trail.

5. *Forced Cuts on Private Property*

- a. The Contractor will be notified of the location and deadline of forced cuts via an email and/or phone call from the Weed Inspector.
- b. Forced cuts will be cut to a height between 2 ½ - 3 ½ inches that will encourage healthy growth and neatly exhibit the beauty of the lawn.
- c. Forced cuts will be invoiced at an hourly rate.
- d. If upon arrival at the location the site has already been mowed, you will be paid a mobilization fee of 50% of the hourly rate.
- e. In order to avoid damage to turfgrass areas, mowing shall be suspended during any rainfall event (beyond a light drizzle) or when standing water conditions are present.
- f. The Contractor is required to immediately repair, to Plymouth Parks & Forestry's satisfaction, any turfgrass or property damage caused by their equipment.
- g. Appropriate equipment should be chosen to match site characteristics. (i.e. flail vs. turf mower)

6. *Days/Hours to Mow*

- a. All mowing must be performed Monday – Friday from 7:00 a.m. – 5:00 p.m. Mowing on weekends is not permissible, unless written permission is given by the Parks & Forestry Manager.
- b. The Contractor is responsible to schedule work around holidays and events to complete the weekly work.

7. *Clean Up*

- a. All clippings and other debris produced from mowing and Contractor's equipment clean up shall be removed from surfaces of roads, walkways, paths, landscape beds, mulched areas and similar surfaces immediately following completion of the mowing at each site.
- b. Grass clippings should not be discharged into the road and/or sidewalks.

D. *Personnel & Supervision*

1. The Contractor shall provide sufficiently qualified on-site personnel to execute the work covered by the contract. An on-site supervisor shall be present at all times with Contractor's mowing personnel.
2. All personnel shall perform the work in a safe and professional manner.
3. Contractor's personnel shall dress and conduct themselves appropriately on the job site. Shirts are to be worn at all times and must be high-visibility Class 2 or wear an ANSI/ISEA Class 2 vest.
4. Contractors must adhere to all applicable laws pertaining to hiring practices and that all personnel employed by the Contractor are legally eligible to work in the United States pursuant to federal and state law.
5. No person shall use tobacco products or electronic cigarettes on City-owned parkland, park facilities, open space or joint City/School District properties, except within the confines of a vehicle in a designated parking area.

E. *Safety Requirements*

1. All tools and equipment used by the Contractor shall be in proper working order and shall be operated in a manner consistent with commonly-accepted safety standards and all applicable local, state or federal laws.
2. Safety features on mowing equipment should not be altered.
3. Safety shields must be in place on all equipment.
4. Personnel must wear proper protection as required.
5. Mowing equipment is to be operated at safe and appropriate speeds at all times.
6. Any violation of safety standards may be deemed cause for termination of the Contract.

F. *Equipment*

1. All equipment owned or controlled by the Contractor, while operated and/or located on Hennepin County medians, right-of-ways and rough cut sites, shall conform with all applicable laws and regulations then in effect, including but not limited to those related to occupational safety and health.
2. All mowing operations are to be performed using machines manufactured by reputable companies recognized for producing high quality commercial turfgrass equipment.
3. All blades shall be sharp and properly adjusted for height and cutting sharpness.
4. All machines will be operated by trained and qualified persons.
5. At no time, shall an operator of a piece of equipment leave the equipment unoccupied and running.
6. All mower devices shall be equipped and operated with discharge chutes at all times while on City property.

7. Trimming shall be performed with each mowing using nylon cord trimming equipment.
8. Any failure to comply with these provisions could result in immediate termination of the contract.

G. Mowing Completion Reporting

1. Each month, the Contractor shall email the assigned Parks & Forestry staff the following information.
 - a. Date of mowing.
 - b. Explanation of areas that were skipped or not completed.
 - c. Any additional information that may be helpful.

H. Terms of Payment

1. The Contractor will submit an invoice to Plymouth Parks & Forestry on a monthly basis for all work performed during the preceding month.
2. The invoice shall include cost per month.
3. Upon approval of required work as specified being completed, the invoice will be forwarded on to Finance for payment.
4. Invoices are due to Finance every Tuesday for processing checks on Friday.
5. A check is generally issued within 7-10 days from each Tuesday.

I. Locations & Acreage

The Contractor will be mowing on City or County medians and right-of-ways throughout Plymouth. A mapbook will be provided to the contractor in early 2023.

1. Medians: 18 sites with 5.66 acres
2. Right-of-Way: 59 areas with 80.96 acres
3. Rough Cut: 33 sites with 39.93 acres

Responsible Bidder Evaluation

The City will review the qualifications and experience of bidders for construction, alteration, repair, or maintenance of real or personal property after quotes are opened and before a contract is awarded, to determine if the quoter is “responsible.” A “responsible” bidder is a bidder qualified to do the work. This will be determined by assessing the bidder’s skill, resources, experience, successful performance of similar contracts (on time and on budget), and all other matters bearing upon the likelihood that the contract will be successfully completed. In all cases where a bidder is unknown or where there are any questions about the qualifications of the bidder, the following information will be required of the apparent low bidder:

You are required to complete and return this questionnaire before the City Council considers awarding you the contract.

1. Identify all similar public projects in which you were the contractor. If you have had more than five such contracts, list only the last five contracts, and as to each contract identified provide the following information:

2. Describe all construction arbitration claims and any construction or project litigation in which you have been a party in the last five years.

3. Identify all public projects you have had with the City of Plymouth in the last five years.

4. In the last five years has a bonding company ever refused to issue you a performance bond? If yes, explain the circumstances.

5. In the last five years have any claims been filed against a performance or payment bond that you have provided a public entity? If yes, explain the circumstances.

6. In the last five years, has your firm or any of its owners or employees been fined by a federal or state agency for a contract or workplace matter (such as wage or hour or safety violations), or debarred under Part 29, Title 49 CFR or any other law from submitting bids on public projects? If yes, explain the circumstances.

7. In the last five years, has your firm or any of its owners or employees been charged or convicted of a crime involving the awarding, bidding or performance of a government contract? If yes, provide full details.

Contractor Verification of Compliance

The undersigned, being first duly sworn, as a responding contractor on the Project, represents and swears as follows:

Now, and at all times during the duration of the Project, the undersigned complies with each of the minimum criteria in Minn. Stat. § 16C.285, Subd. 3, the Responsible Contractor Statute.

The undersigned understands that a failure to meet or verify compliance with the minimum criteria established for a "responsible contractor" as defined in Minn. Stat. § 16C.285, Subd. 3, renders a bidder ineligible to be awarded a construction contract for the Project or to perform work on the Project.

Upon request, the undersigned will submit copies of the signed verifications of compliance from all subcontractors.

The undersigned understands that a false statement under oath verifying compliance with any of the minimum criteria shall make the undersigned, or its subcontractor that makes the false statement, ineligible to be awarded a constructed project and may result in termination of a contract awarded to the undersigned or its subcontractor that submits a false statement.
