COMPUTER USERS GROUP

With John Sullivan

Computer Help!

Do you need help solving the problems you are having with your Windows operating system? Would you enjoy the company of good people with similar interests — while getting answers to your computer questions from the facilitator or the Group at our monthly meeting?

The Computer Users Group normally meets at Plymouth Community Center on the 4th Wednesday of each month from 10:00 a.m. till 12:00 a.m. The purpose of this group is educational in nature. Information about Windows home computers, software and how to's are exchanged among participants. The facilitator uses a Television screen and computer for training purposes. Those with some computer skills would benefit most from this group, but all interested people are welcome. A call for questions from members to be discussed is sent out before each session. In addition, questions are encouraged during the meeting.

Contact John at 763-557-8087 or J-L-Sullivan@comcast.net for more details.
