

TREE

Robin Hill Serviceberry | *Amelanchier x grandiflora* 'Robin Hill'

Plant description

A good tree for small spaces, Robin Hill Apple Serviceberry has an upright to oval habit with an open form. Pink buds open to delicate pink flowers that fade to white each spring and cover this small tree. Small edible red-purple berries attract birds. The blue-green leaves turn shades of yellow and red in the fall. An excellent choice for woodland gardens, naturalized settings, and as a specimen in the landscape.

Height: 20-25'

Spread: 12-15'

Shape: Upright oval

Exposure: Full Sun to Part Shade

Foliage: Blue-green

Fall Foliage: Yellow to red

Zone: 4-8
