The screenshot shows the City of Plymouth Minnesota website. The top navigation bar includes links for Calendar, Employment, Codes & Documents, Property Info, and Contact Us. The main navigation menu has links for About, What's New, Departments (highlighted), Services, Facilities, and I Want To... with a search icon. A left sidebar menu lists various city departments, with 'Recreation Activities' selected and highlighted in blue. The main content area is titled 'Recreation Activities' and includes a 'Print' button, a 'Share & Bookmark' button, and a 'Font Size' selector. The text describes the city's extensive recreation programming, including year-round programs, classes, concerts, special events, trips, team sports, and sport instruction for youth, adults, and families. A large banner image shows a park scene with a playground and a building, overlaid with the text 'NEW PARKS & REC APP'. Below the banner, there are two smartphones displaying the app's interface. The text 'New: Plymouth Parks & Rec, MN App' is followed by a description of the app's features and two links to download the app from the Google Play Store and the Apple App Store. A QR code is also present. At the bottom, there are three dark blue buttons: 'REGISTER ONLINE' (circled in yellow), 'PARKS & RECREATION ACTIVITIES GUIDE', and 'PURCHASE A GIFT CARD'.
