Plymouth Parks & Recreation prides itself on providing quality programs and activities for people of all abilities. Without a two-week notice, Plymouth Parks & Recreation is not able to guarantee that individual requests can be met. If Plymouth Parks & Recreation cannot meet a given request due to short notice, the participant would be required to arrange for their own Personal Care Attendant (PCA).

No refund will be issued due to the lack of an inclusion aide if you register less than one week from the start of the program.

The experience of facilitated conscious relaxation brings the nervous system to a parasympathetic state that helps to achieve a deeper sleep when you DO sleep. It's even been known to decrease insomnia, lower blood pressure, increase "good cholesterol" levels, reduce belly fat, improve digestion, lower serum triglycerides and blood sugar levels in the blood, reduce muscle tension and general fatigue. Treat yourself to the benefits of "rest and digest mode" deeply and completely in this gentle, nurturing yoga series. Instr: PR Brady. No program: 11/24.

YIN YOGA

PCC-Active Wing, 14800 34th Avenue N

Yin Yoga involves relaxing the body right up to ones' healthy edge—wherever your edge may be. We breathe “into” the muscles as we engage them, which allows them to stretch. This results in feeling more balanced, less stressed, less restless; and gives more strength and energy than it takes away. Yin lives halfway between active exercise and total stillness. If you stand or sit all day, are tense, inflexible, experience anxiety, or have an overactive life this is for you. Instr: PR Brady. No program: 11/25. Zoom available by request.

PLYMOUTH SKATE SCHOOL

GENERAL INFORMATION

- Beginning levels are required to wear helmets.
- Skaters MUST be at least 4 years old by the start of the class – no exceptions will be made.
- Rental skates – available for \$5/lesson.
- Parents are not allowed on the ice during class time.
- For safety reasons, no shoes allowed on the ice.

PROPER ATTIRE

Skaters will benefit more from a lesson with proper skates. We prefer boots be of leather rather than vinyl and they should have strong ankle support. Skates should not crease or buckle when worn, and should fit to the foot size and not have excess 'room to grow'. Blades should be of high tempered steel and properly sharpened. Double runner blades are NOT allowed.

It is important that all skaters are warm and comfortable while skating. We suggest dressing in layers and request all skaters to wear mittens or gloves.
