PLYMOUTH PARKS & RECREATION NATIONAL ACCREDITATION

On October 27, 2010, Plymouth Parks and Recreation was recognized as an accredited park and recreation agency by the Commission for Accreditation of Park and Recreation Agencies (CAPRA). In September, 2015, our agency accomplished an extensive reaccreditation and was formally recognized by CAPRA. Plymouth Parks and Recreation is proud to be recognized as one of five Minnesota agencies (*Roseville, St. Paul, Ramsey County, and Minneapolis*) and one of 97 accredited agencies nationwide.

The CAPRA accreditation process is based on an agency's compliance with 144 standards. To achieve accreditation, an agency must comply with all 36 fundamental standards, and at least 92 of the remaining 108 standards. Plymouth Parks and Recreation met 143 of the 144 standards.

Meeting the CAPRA standards provides an important framework for Plymouth Parks and Recreation to continue to "Add Quality to Life", as well as providing quality environments for the community to play, live and grow. Receiving CAPRA accreditation fits well into Plymouth Parks and Recreation's reputation and commitment to quality leisure services for the community to enjoy.
